

## Light & Darkness

### Reflection & Discussion Questions

#### Light /līt/ (noun):

“the natural agent that stimulates sight and makes things visible”

#### Darkness /därknəs/ (noun):

“the partial or total absence of light”

“In [John’s] Gospel **light** always refers to the revelation and salvation that Jesus is and offers.”\*

“One who walks in the **darkness** rejects the revelation through Jesus Christ, since life (light) is provided only through Him and His words.”\*\*
